

Dipl.-Ing. oec. Sebastian Rohr, CISA/CISM/CISSP

CTO and Managing Director
accessec GmbH

In 2001 Sebastian Rohr received his Master of Management & Engineering from TU Hamburg-Harburg, majoring in Production Technologies and Information Management. His career led him from roles as Security Consultant at Siemens AG, ICN Division (1998 to 2002), Research Associate and PhD Candidate at Fraunhofer SIT (2002 to 2004) as well as Solution Strategist for IAM at CA (formerly Computer Associates between 2004 and 2006) to being appointed as Chief Security Advisor at Microsoft in 2007. After retiring as CSA, he co-founded accessec GmbH where he is CTO and Managing Director till today.
