

Dr Sheikh Mahbub Habib
Coordinator (Secure Services research area)
CASED/TU Darmstadt, Germany.

Dr. Sheikh M. Habib is a postdoctoral researcher at the Telecooperation lab and Coordinator of CASED Secure Services research area. Additionally, he is leading the Smart Security & Trust area as a part of the Telecooperation Lab since Sept. 2013. He joined the lab as a doctoral student in 2009 after obtaining his M. Sc. degree from Chalmers University of Technology in the same year. Sheikh obtained his doctoral degree from Technische Universität Darmstadt in 2013 for his work on computational trust mechanisms with focus on distributed service environments. His research was funded through LOEWE CASED, an initiative by the Hessen State Ministry of Higher Education, Research and the Arts of Germany. Sheikh obtained his B.Sc.Engg. degree in Computer Science and Engineering from KUET, Bangladesh in Sept. 2003.
